***We suggest you get all the facts
as soon as possible...***

If at all possible, it is wise to consult with our professionals before losing your hair so that color, style and length can be determined. If you have already been informed of your impending hair loss, you will be able to conceal it at a time of your choosing. Our usual turnaround time is one to two weeks and this includes most custom orders. In short, it is never too early to contact us.

***Just the thought
of losing your hair
is stressful...***

A natural appearance and hairstyle is an important part of your well-being and self esteem. We understand how stressful hair loss can be.

At Discount Drug Mart our professional certified fitters can assist you in alleviating your medical hair loss problem. No longer will you have to shop in a catalogue or on the internet, taking the chance of ill fitting wigs or choosing the wrong color and style. Our fitters will take the

time to help you choose the right style and color, and will take precise head measurements for the right fit.

The best part is that you do not have to go out searching for a solution - we are here to help. Discount Drug Mart stores are equipped with private fitting rooms where your confidentiality is guaranteed. Our services are offered with compassion and integrity to ensure your confidence, trust and comfort.
