To Whom It May Concern:

The Chauncey-Dover Lions Club will be hosting their Annual Chinese Auction on Saturday April 8, 2017. This year, our auction will be held at the Chauncey Elementary Gym with doors opening at noon and the drawing to begin at 2:00pm.

For over a decade now, our auction has raised money to help our small community. Money raised is all non-profit and has helped many members of our community. We bought playground equipment, built a new roof for the local shelter house, provided financial support for children with disabilities to gain job/work experience, and have brought Santa to our small village with goodies for our local children. We also arrange a yearly parade and hot dog roast around Halloween for the community and help with the Athens County Band Festival. We award a scholarship each year to a senior in high school to help further his/her education. The money raised has also helped many families who needed a helping hand or were hit by hard times, whether it was with a bill or helping out after a fire or with funeral expenses. We also help members of the community with eye glasses and visiting the eye doctor.

None of the above would be possible without YOUR help. No donation is too small. This auction is our primary fund-raiser and it truly benefits our community as a whole. We are asking that you take a little time and help with a donation. Your donation would be greatly appreciated and will help to make our auction a success.

Thank you for your time.
